2015 MOSCATO

Year & Variety:

2015, Muscat á Petits Grains Rouges or “Rutherglen Brown Muscat”.

Appearance:

Light pink with a little spritz.

Aroma:

Floral aromatics with a rich honey tone.

Palate:

Light in body yet the palate is full and rich from this famous grape variety. Muscat typically offers wonderful floral, rose petal flavours and our Moscato is a great example of this popular style. It is sweet but still has great acidity and a dry finish, making this wine easy to drink and perfect with many foods.

Food Pairing:

As an aperitif, or with a cheese platter.

Cellaring:

Drink now, young, fresh and vibrant.

Winemaking Notes:

Muscat grapes were picked early in the season and in the cool of the night to achieve maximum freshness. Blended with unfermented grape juice for preferred sweetness.

Specifications:

Alc/Vol: 7%
Size 750ml

“Bright, fresh and ready for entertaining, this Moscato is perfect for a picnic or a cheese platter and tapas.”

Andrew Drumm, Winemaker
