### *Vintage:*

2016.

### *Appearance:*

Light pink.

Floral aromatics with a rich, honey tone.

A fresh, light-bodied wine with floral aromas and rose petal notes typical of Muscat. Great balance and a dry finish.

### *Food pairing:*

A lunchtime picnic, or a casual cheese platter shared with friends.

### *Cellaring:*

### *Winemaking notes:*

Muscat grapes from our "Highway" vineyard were picked at night to retain flavour. The juice was fermented in stainless steel until the desired sugar level was reached. It was then bottled without delay - from vineyard to bottle in only five weeks - retaining vibrancy and a little spritz from the ferment.

### *Specifications:*

Size: 750mL Alc/Vol: 7% Titratable Acidity: 8g/L pH: 3.15

*"With a balanced palate, our Moscato is a crowd favourite made from muscat grapes picked early in the season to ensure it's beautifully fresh and floral."*
